

Medium Industrial Castors

PLATE FITTING

- **For loads up to 120kg per castor.**
- Features a large double bearing head race which provides free swivelling under heavy loads. A robust plastic seal protects the bearings from moisture and dust.
- Unique adjustable brake pedal that can be altered for directional locking purposes.
- Large selection of wheel types. Black or white nylon, grey rubber, blue rubber, cast iron and phenolic.
- Weld on mounting plate available.
- Ideally suited for bakeries, workshops, warehouses and materials handling equipment.
